This policy is reviewed and updated annually to ensure that food and drink in the examination room at Crispin is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

Purpose of the policy

This policy confirms that Crispin reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Crispin:

No food is allowed in the exam room unless for medical purposes. Only water is allowed.

Any food and drink brought into the examination room whether by the candidate or the centre must be free from packaging and all labels are removed from drink containers (ICE 18.2)

•

To enable invigilators to check these items quickly and efficiently: Drinks bottles must be totally transparent.

Additional centre-specific arrangements:

Only food can be brought into the examination room where it has been agreed by SLT, SENco and the Exams Officer for medical purposes only.

2. Roles and responsibilities

The role of the exams office/officer
