

Crispin School

Aspiration - Compassion - Excellence

15 October 2025

Dear Parents and Carers,

We are delighted to share that Year 7 have made a very positive start to their time at Crispin. It has been a pleasure to see how well students have settled into school life, both academically and socially.

At Crispin School, we are always striving to improve, and we believe that working closely with parents and carers is vital to ensuring every child has the best possible experience. Your insight is incredibly valuable in helping us to reflect on what we do well and how we can further improve your child's school experience.

With this in mind, we would like to invite you to our 'Year 7 Parent Voice Evening' with, Mr Cornwall (Acting Headteacher) and Mr Murphy (Head of Year 7). This will be held on Tuesday 11 November 2025 from 18:00 until 19:00. This open forum will give you an opportunity to give your feedback on our transition process so that we can review our systems and make improvements in future years.

We believe strongly in the partnership between home and school and the crucial role it plays in each child's success. Your continued support makes a real difference to your child's journey at Crispin, and we are very much looking forward to working together throughout their time with us.

Please indicate on the google form below if you will be attending or not.
