

Crispin School

Aspiration - Compassion - Excellence

13 January 2026

Dear Parents and Carers,

As we enter the new year, I would like to take a moment to thank you for your continued support of Crispin. Our school remains firmly committed to positive change - change that strengthens Crispin as a place of both high challenge and genuine nurture, where every child is supported to grow, succeed and feel valued.

Last term, we welcomed Year 7 parents and carers into school for a live clinic focused on transition and the start of school life at Crispin. The feedback shared was thoughtful, constructive and incredibly helpful. It reinforced the importance of listening carefully to our community, celebrating what is working well, and being honest and ambitious about where we can improve.

Building on the success of this event, we are keen to extend this approach across all year groups. Ensuring that parents, carers and students have regular opportunities to share their experiences is central to our appetite for continual improvement and meaningful impact.

As part of this work, we are now inviting you to complete a short survey about your child's experiences at Crispin so far this academic year. This is a valuable opportunity for you to share both positives and areas for development. The more responses we receive, the better we are able to identify trends, prioritise key areas and target our efforts where they will make the greatest difference for our students.

Please click on the link below to complete the survey:

The deadline for completing the survey is 27/01/26 at 10am.

Thank you in advance for your time, honesty and continued partnership. Your voice matters, and together we can ensure Crispin continues to grow as a school that challenges, supports and nurtures every child.

Yours sincerely,

Mr Cornwall
Acting Headteacher
