

Crispin School

Aspiration - Compassion - Excellence

02 March 2026

Dear Parents and Carers,

Re: Year 6 Welcome Letter

I am delighted to be writing to you as you receive confirmation of your child's secondary school place. This is a significant milestone, and we are both proud and excited to be welcoming your family into our school community.

The transition from primary to secondary school is a moment filled with anticipation, for children and parents alike. It marks the beginning of a new chapter: new friendships, new subjects, new opportunities and, of course, new challenges. Please be assured that we are committed to making this transition as smooth, positive and supportive as possible for every child.

At our school, we believe deeply in creating an environment where students feel safe, valued and inspired to achieve their very best. We are ambitious for every young person who walks through our doors. Our aim is not only to secure excellent academic outcomes, but also to nurture confidence, character and a strong sense of belonging. We want your child to feel known, supported and encouraged from their very first day.

Over the coming weeks and months, we will share further information about transition events, induction days and practical arrangements for September. These opportunities will help your child become familiar with the school, meet key staff and begin building the friendships that will support them throughout their secondary journey.

We understand that this period can bring questions, and sometimes a little uncertainty. Please know that we are here to support you as well as your child. Strong partnerships between school and home are at the heart of a successful secondary experience, and we very much look forward to working alongside you in the years ahead.

For now, please take a moment to celebrate this achievement with your child. We cannot wait to welcome them and begin the exciting journey together.

With warmest wishes,

Lee Cornwall
Headteacher
