

Crispin School's Careers Plan & Programme

In line with Crispin's leadership vision, development plan and strategic priorities our careers planning and Objectives provide students with a structured, progressive and engaging Programme that builds knowledge, skills and aspiration in careers and employability, equipping them to make informed decisions and ultimately to thrive post-16 and beyond.

Employability & Careers sits under the umbrella of our **THRIVE** Curriculum for Personal Development. Using a Careers Impact Maturity Model, Crispin's embedded, school-wide practice is reviewed annually to ensure it is consistent with statutory requirements and Gatsby Benchmarks. Students and colleagues record learning journeys using the careers platform, Unifrog.

Ongoing evaluation will also include student voice along with parents' and colleague feedback. We work alongside Enterprise Advisers and Somerset Careers Hub to track and report on our careers provision and progress.

The Careers Programme - known within school as **Crispin Future Ready** includes the following elements:

- THRIVE Lesson & Tutor Time Content
- Employer Encounters
- Post-16 and Post-18 Provider Encounters
- Work Experience
- Mock Interviews
- Career and Apprenticeship Fairs
- Careers Cafés
- Drop down days/mornings
- Skills Workshops
- Targeted Group Sessions
- LMI assemblies and information sharing
- Careers in the Curriculum

Year 7

Year 7	Routes	Labour Market Information (LMI)	Work Experience (WEX)	Skills
